# FAST ENGLISH
REAL CONVERSATION

fastenglish.edu.mx

Corporations and individuals must communicate efficiently and professionally. Our **adaptable** services enhance the language skills with our FAST high-level online courses, translation, Business Consulting and support.

FAST English has improved its language services over the years, teaching executives and leaders in many companies, training teachers, using the latest techniques and technology.

## Our support has consisted of:

### COURSES

**Conversational** classes where the participants practice their professional areas in amazingly interactive virtual Rooms, with Teachers from different countries, as students of diverse nationalities achieve magnificent **Listening, Reading, Speaking, Thinking**, and **Writing Skills**, which are registered and tracked through our highly efficient Platform.

### CONVERSATION CLUB

Either we suggest an interesting and convenient topic, or the participants choose it as we make structure or pronunciation corrections, along with the corresponding explanations.

### BUSINESS CONSULTING

Most of our support has been regarding Presentation organization and rehearsal; as well as participation practice for meetings, interviews, lectures, courses, trainings, and so on.

### TRANSLATION from English to Spanish and vice versa:

Technical and professional document translation
Consecutive Interpretation
Simultaneous Interpretation

### OTHER PROFESSIONAL ACTIVITIES

We also foster art, business, finances, culture, ecology, tourism, traveling, and science.

We have been a **professional language support** for

Banorte
